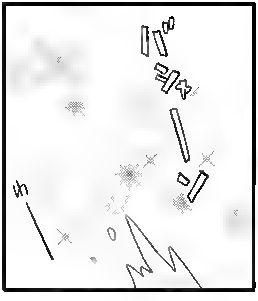
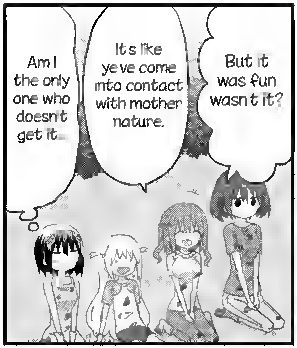
It's the rice fields!
ーい!
ヤッほ
You sound like those characters who just arrived at the beach
Haa. How did it end up like this.
ふぁ〜
A few hours earlier
What!? Rice planting!?
しゅ

What?!
Ah.
Then how about we all go and help out too?
Hm.
Is that so..
That's right I'm joinin my dad in the fields today
This isn't some kind of school play..
Don't you normally use a tractor for that!?
W-wait a minute!
It's been so long since I last planted rice
Yeah.
Ohhh! Yere all joinin'!?
Are these people your friends?
Mitsuyo
Hey!
What?
My dad came from Helsinki to study organic farmic here

Good afternoon!
They said they'd help us today!
Seriously? That's great!
Then let's get started right away!
By the way Mitsuyo-san...
.....
You were half-Japanese!?
Hm?
キラーン
What are you saying all of a sudden, Kei?
Mitsuyo has always been half-Japanese
No no no no no! This is the first time I hear about it!
Present time.
Half-Japanese...
Still in shock.

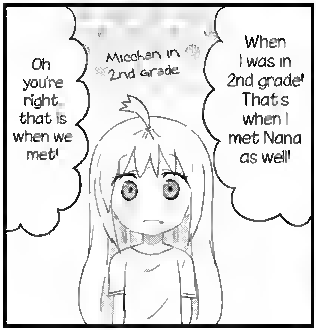


バリバリ
ーン

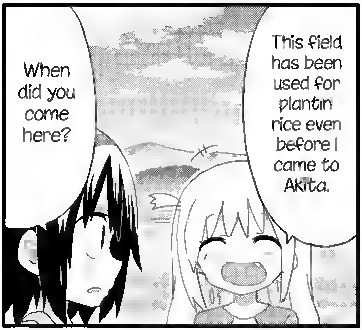


Am I the only one who doesn't get it...
It's like ye've come into contact with mother nature.
But it was fun wasn't it?

I'm covered in mud.
Uhh...
Father just bought it this outfit for me as well.
ドヨ

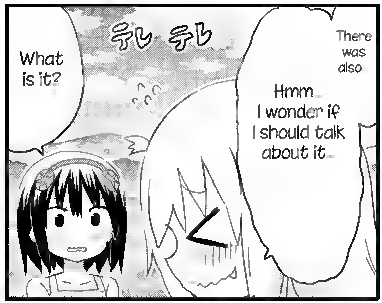


Oh you're right. that is when we met!
Misaki-san in 2nd grade.
When I was in 2nd grade! That's when I met Nana as well!



When did you come here?
This field has been used for plantin rice even before I came to Akita.

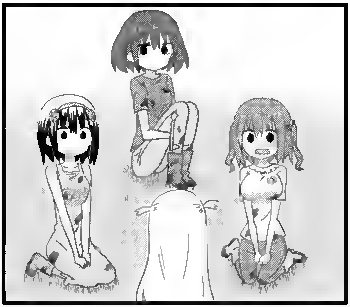
Now Im curious!
It's too embar-rassin after all!
Then I'll tell ya this one time



What is it?
テレ テレ
There was also
Hmm... I wonder if I should talk about it...

The truth is...
It was on this very nice field that I encountered my first love.

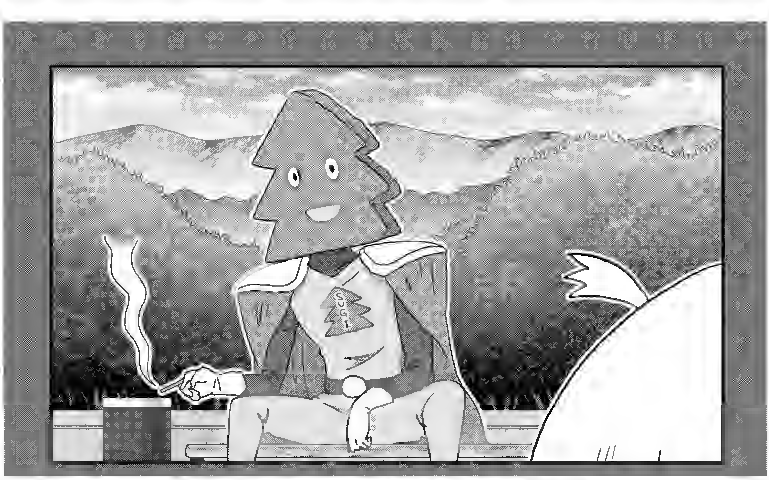
Whaa aaat?!
Nuwahh! This is so embarrassin'

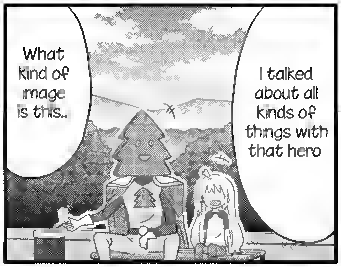


Can you even find love on a rice field?
How would you even...
Is that weird?

Micchan, I wanna hear more!
Who was he?
H-hold on...
More importantly...

I had just arrived in Akita after leavin Helsinki .
This is Japan
Wait, what!? This is you!?
So cute!
I wasn't very used to Japan yet so I spent a lot of time playin alone
However there was barely anythin' to do in Akita so I got bored and went outside for a walk.
So deep down she was already the usual Mitsuya-san...
And then...
I met him...
ピーン





What kind of image is this..
I talked about all kinds of things with that hero

A local mascot character!?
At that moment I felt the elecricity run through my entire body!
Uh

No even before that I think I had already noticed it
And then

I've never really seen them around here...
Maybe they came here to do some kind of PR?
Huh?
What happened after that?
Can you even call that love?
キラ キラ
My first love had been born...
That's just like Michan
Geez! After making us all come here and plant rice! And on top of that you tell us some crazy story! What's up with you!
That's Mitsuyo for you.
Shhhh
You're too relaxed!
She's asleep
What do we do now?
Let's just rest for a bit

Um.
Are you a hero or what?
I'm the cedar hero
Of course I'm a hero. Though I'm still an applicant.
You speak kinda funny..
And ya, why are ya all by yerself?
Children should be playin' with their friends.
I'm different from everyone else here... My hair is blond and stuff...
Haa... Ye're such a pain.
Look! Try callin' out to those kids playin over there.
B-but how do I.
Just say "Ya wanna play?"
If ya do I bet ya they'll accept

ヤヤ…
What…
The intonation is what's most importan
Come on
Ya wanna play..?
Umm...
Let's play!
Yeah
Sure!
